RESPONSE

Mail Stop: Amendment
Commissioner for Patents
PO Box 1450
Alexandria VA 22313-1450

Greetings:

In response to the Office Action mailed July 28, 2005, applicant provisionally elects claims 1 - 12 for examination in the above-captioned patent application. The election is being made with traverse, for the following reason: The Examiner states that claims 1 - 12 and claims 13 - 15 are related as "process of making" and "product made." However, claims 13 - 15 have nothing to do

with making any product. Rather, claims 1 - 12 are drawn to a product and claims 13 - 15 are drawn to using the product for measuring and storing food.

Respectfully,

A handwritten signature in black ink, appearing to read "Garth Janke", written in a cursive style.

Garth Janke
